MIKE BUTLER
HOLLYWOOD, FLORIDA

SIGNATURE PROJECTS: Turning Lodge Resort, Verona, New York; Marriott Hotel, Marco Island, Florida; Bungalow 9, Ft. Lauderdale, Florida (shown)

STYLE: "I don't just take pictures, I build them up through composition, layering and lighting."

TRICKS OF THE TRADE: Find the essence of the space and think about the whole picture. "Decide what style the space is and shoot it according to that. Ask yourself if all of the shots are going to work together to sell the place."
